

Scientific Symposium

Appointment process: Professor in "Forest Resources and Agroforest Systems"

Monday, 18th June 2018, 8.30h – 16.15h, Lecture hall 21

School of Forest Science and Resource Management

Hans-Carl-von-Carlowitz-Platz 2

85354 Freising (Germany)

Lecture programme

8.30h *"A social-ecological agenda for agroforestry systems"*

Prof. Dr. Tobias Plieninger

(Georg-August-Universität Göttingen, Germany)

9.15h *"Potential of forest and agroforestry systems for land restoration"*

Ass. Prof. Asia Khamzina

(Korea University, South Korea)

--- 10.00 – 10:30h Coffee break ---

10.30h *"Our forests and agroforestry systems in a changing world: some case studies"*

Prof. Dr. Giorgio Alberti

(University of Udine, Italy)

11.15h *"Tropics, Trees, Transition: Management of Tropical Forest Resources in a Landscape Context"*

PD Dr. Sven Günter

(Thünen Institut Hamburg, Germany)

12.00h *"About biomass allocation, stand structure formation and knowledge dissemination"*

Dr. Peter J. Annighöfer

(Georg-August-Universität Göttingen, Germany)

--- 12.45 – 14.00h Lunch break ---

14.00h *"Forest ecosystem management – challenges, demands, options"*

Prof. Dr. Christian Ammer

(Georg-August-Universität Göttingen, Germany)

14.45h *"Strengthening links between Forestry and Agroforestry sciences to reconcile societal, environmental and sustainability issues in Forest and Landscape Restoration"*

Dr. Aster Gebrekirstos Afwork

(World Agroforestry Center, Kenya)

15.30h *"Forest resources in the 21st century"*

Ass. Prof. Dr. Rupert Seidl

(Universität für Bodenkultur Wien, Austria)
