

Still looking for a job  
for the 2025  
harvest and  
seeding  
season?

# Farming Intern (m/f/d) 2025

## What motivates you?

- Are you passionate about agriculture?
- Do you like working with modern technology on a large scale?
- Are you careful, a team player, reliable and able to work under pressure?
- Are you looking for an exciting challenge and a great team?
- Do you want to take on responsibility?

## Who are we looking for?

- Highly motivated seasonal workers for grain/potato/corn harvesting, harvest logistics, tillage and seeding.
- You must have experience and knowledge of working with modern large-scale technology and have a T or CE driving licence.

## Who we are?

- We are a state-of-the-art farm with locations in northern Germany (Schwansen (S-H), Vorpommern/Greifswald (M-V), Rügen (M-V)), northern Poland (Hinterpommern) and western Romania (Arad region).

## What we offer:

- A highly motivated team.
- A modern fleet of modern farm machinery.
- Performance-related salary, meals and accommodation directly on site.

**The time is now!**

**Join us and apply for the harvest and sowing season 2025!**
